## WHAT IS ICADE?

At **COMILLAS ICADE** you will find specialisations in law and business, as well as different endowed chairs and research centres.

Our Faculty has been a leading reference for more than half a century in the area of Business Administration and Management and Law.

Our mission is to train competent, consciencious , critical and compassionate leaders to transform the world. This mission is underpinned by a clear vision and ambition: to grow as an institution of international prestige, based on Jesuit values, offering innovative, experiential and global business education for leaders of the future.
