## LIBROS-E

- 1- Crea una cuenta en *VitalSource* con tu **usuario de la Universidad Pontifica de Comillas.**

The image shows the VitalSource sign-in page. On the left, there is a promotional banner for "Study Smart" with the tagline "Read anytime, anywhere." It features a crescent moon and stars. On the right, the sign-in form is displayed. The form includes fields for "Email" and "Password", both of which have validation messages: "Please enter an email address." and "Please enter a password.". There is also a "Forgot Password?" link. Below the form are two "Continue with" buttons for Google and Apple. The "Sign In" button is at the bottom.

- 2- Selecciona el tipo de usuario y completa los datos requeridos.

The image shows the VitalSource create account page. On the left, there is a promotional banner for "Study Smart" with the tagline "Read anytime, anywhere." It features a crescent moon and stars. On the right, the "Create Account" form is displayed. It includes a "Bookshelf" icon and a "Create Account" button. Below the button are three options: "I'm an Instructor", "I'm a Student", and "Other". The form then asks for "First Name" and "Last Name", both in input fields. It also asks for "Email" and "Password", with a note that the password should be 8+ characters, an uppercase letter, a lowercase letter, and a special character. There are two checkboxes: one for receiving occasional updates and another for agreeing to the "Terms of Use" and "Privacy Policy". The "Create Account" button is at the bottom.
